RESPONSE TO OFFICE ACTIONCommissioner of Patents and Trademarks
Washington, DC 20231

Dear Sir:

In response to the Notice of Non-Compliant Amendment dated April 20, 2006, complaining that the claims in the amendment *filed over a year ago* in the above-captioned patent application did not list the claims in numerical order (some canceled claims had been listed together as being canceled despite not being sequential), here is the same amendment repeated except for listing claims in ascending numerical order.
